Date:

The Institute of Meat

On approval of membership, members receive a signed and embossed certificate.

Members are also entitled to use the appropriate letters after their name on business cards/letterheads and other stationery. For example – Mr A. N. Other - M Inst M

Aims

- a) To establish, maintain and develop standards, skills and technology within the meat/food industry;
- b) To ensure that education and training, of the right type and standard is carried out across the United Kingdom through the Meat Training Council and training providers;
- c) To assist education and training authorities from the resources available within the Institute;
- d) To promote technical and/or educational demonstrations, seminars and specialist courses. Arrange visits to meat and food production factories worldwide;
- e) To develop a wider awareness of the value of education and training for all people engaged in the meat industry and therefore secure a greater recognition of the value of national qualifications provided through the Meat Training Council;
- f) To enhance and develop the status of members of The Institute within the meat/food industry, through their attainment of appropriate, relevant qualifications and development of professional attitudes;
- g) To provide technical information and advisory services to Government and other official bodies, individual members and companies engaged in the meat/food industry;
- h) To engage in and develop the international exchange of meat/food industry knowledge.

On completion of your application form please return it to the Institute by one of the methods detailed overleaf.
